EUROPEAN MIDWIVES
ASSOCIATION

The banner features a central image of the Acropolis in Athens, Greece, framed by abstract, flowing shapes in shades of blue, pink, and white. The text is positioned on the left side of the banner, and the logos are at the bottom.

Keep updated about the topics that will be covered at the upcoming Congress in Athens and improve practical skills through workshops attendance

The program includes almost 50 oral presentation sessions, 100 e – poster presentations, 35 lectures, 10 round tables and 20 workshops

[CLICK HERE FOR THE WHORKSHOPS LIST](#)

Keep in mind that:

- by clicking on "Don't show Lectures" at the top-left corner of the electronic program you can watch the lectures in full detail.
- by clicking on the name in the "Speakers – Moderators Index" you can see the status, day and time of the presentation.

[USEFUL INFORMATIONS](#)

[WORKSHOPS ATTENDANCE](#)

Participation in the Workshops is **for FREE** and only registered participants can attend.

- PRE-REGISTRATION IS NOT REQUIRED for web participation via live streaming, provided that live transmission is allowed.
- PRE-REGISTRATION via the conference application IS REQUIRED for on-site participation in the Workshops, as the number of the participants is limited

Workshops will be available in the conference application (Let's Congress), in the section PERSONAL ->SELECT SESSION.

All the Participants will receive their participation certificate electronically after the end of each Workshop.

CONFERENCE APPLICATION

What you can do via “LET'S CONGRESS” app:

- Declare or undeclare workshops (PERSONAL ->SELECT SESSION)
- Direct access to your personal QR (PERSONAL ->MY QR)
- Submit questions to the speakers in real time
- Keep updated on your participation time (PERSONAL -> MY TIME),
- Be informed about your accommodation-transfer reservations (PERSONAL -> OTHER INFO)
- Evaluate the conference and
- Receive your attendance certificate. * The certificate will be activated on the final day of the conference.

Download the “Lets Congress” app (available both for android and ios software) by clicking [here](#) (using your mobile phone).

Steps to connect:

The app will open your camera to scan your personalized QRCode. **The personalized QR codes will be received by the participants who have completed the registration process by email.**

⚠ Please note that during the QR activation process, it is necessary to open your email from **another** computer/tablet/mobile etc. (i.e. not the same that you use for scanning the QR Code)
